

**Orara High School  
Years 7-12 Parent Teacher Interviews**

Dear Parents/Carers,

Orara High School extends an invitation to all Parents/Carers to attend our Term 1 Parent Teacher evening on Tuesday 14<sup>th</sup> March 2023. Staff will be available from 4:00pm until 7:00pm, sitting in faculty groups in the school hall.

An evening such as this offers a valuable opportunity to discuss your child's engagement in class, social and behavioural development, work ethic and progress towards academic goals with teachers. Interview times have been planned as 10 minute blocks at the request of many parents/carers, so as to minimise disruption to the family routine. Please adhere to the 10 minute process.

We recommend that your interview times be spaced for you to have sufficient time to move from one staff member to another so that valuable time is not lost.

Orara High School uses electronic bookings through the Sentral Parent Portal. If you do not have access to the internet, please ring the school with your preferred times and the office staff will accommodate you. Please use: <https://orarahs.sentral.com.au/portal> to access the portal.

Some teachers may be more heavily booked than others depending on the classes they teach. Should an appointment be unavailable, please make a request through the Head Teacher of that subject for another time and day to be arranged for a phone interview.

Parents of Support Unit students are reminded that they may contact Case Managers to update goals and targets for Semester 1.

You are always welcome, throughout the year, to contact the school and arrange an appointment to discuss your child's progress or any other concerns. These arrangements should be organised through your child's Year Advisor.

Light refreshments will be provided on the night.

We look forward to your attendance on Tuesday 14<sup>th</sup> March 2023 and trust that you will find the evening informative, to better support your child's learning and success in achieving their academic goals.

Michelle Elliott  
Principal (Relieving)
